DiscussIT Topic 6: Where is our country headed?

Discuss IT Topic: Over the last week, our country has had growing concerns on immigration bans, border safety, and executive orders that remind us of issues that have been plaguing our country for years. Now that Trump has been elected President, there has been people threatening to blow up the White House, human right protests, and a plethora of other sensitive subject matters that are very compelling to individual groups of people. Why have these issues come up now as we head into a time in which it seems no one is going to be happy with the outcomes? Will this create a split in this country and place citizens against one another when it comes to their views? In your opinion, what other topics are at the forefront of concern? Explain...

Response: Please make sure all grammar, spelling, indentation, and punctuation is correct.

The issues on Donald Trump have been coming now due to Social media. Many people are hating on Trump due to the social media. I do not believe this will split us individuals mostly other people in higher government level because they are going to be fighting over everything Donald Trump does.
